FinTech Disruptions

Post Graduate Diploma in FinTech & Digital Business

The FinTech Revolution is rewriting every career in BFSI

India is at the epicentre of the world's most dramatic digital business and financial services transformation. The opportunity is staggering and so is the demand for people who understand both finance and technology. PGDFDB unfolds across four progressive semesters, each crafted with intent - clear learning outcomes, hands-on builds, digital business applications, career milestones, immersive internship projects, and dedicated placement assistance.

- NSQF Level 7
- BFSI SSC Aligned
- 2 Years Duration
- 4 Certifications
- Guest Lectures
- Employment-Linked

4-Semester Curriculum

Every semester builds new industry skills, ends with a capstone project, and awards a coveted certificate. The semester rhythm keeps you industry-connected, not academically isolated.

SEMESTER 1 Months 1- 4

BFSI Foundations & FinTech World
| Certificate in FinTech Excellence (CFE)

- M1 BFSI Domain Foundations**
Banking, Insurance, Capital Markets, Mutual Funds
- M2 Current Industry & Digital Transformation**
AI, GenAI, Open Banking, Digital Stack
- M3 FinTech World & InsurTech**
Neo-banks, BNPL, IRDAI sandbox, InsurTech
- M4 Loan Origination & Credit Technology**
LOS, digital underwriting, RBI guidelines

CAPSTONE - YOU WILL
Publish a BFSI Domain Discovery Report
Analyse 3 real digital disruptions, map a personal 2-year career plan, and present to an industry panel.

- ~56 student hours
- External jury panel

SEMESTER 2 Months 6-9

Digital BFSI Technologies
| Certificate in Digital BFSI Technologies (CDBT)

- M5 Payments Technology**
UPI, Cards, CBDC, Cross-border, PG Tech
- M6 WealthTech & Investment Technology**
Robo-advisory, Trading Tech, ESG
- M7 Supply Chain & Trade Finance**
TreDS, OCEAN, LC/BG, Agri-Finance
- M8 Data to Decisions + Agile + ITIL**
Power BI, SQL, Six Sigma

CAPSTONE - YOU WILL
Design a Digital BFSI Solution Blueprint
Pick a real problem, map the as-is process, propose a tech stack, and build a Power BI dashboard with ROI calculations.

- ~64 student hours
- Innovation Award

SEMESTER 3 Months 11 - 14

Advanced BFSI & Placement Readiness
| Certificate in Advanced BFSI & Digital Innovation (CABD)

- M9 RegTech & Compliance**
AML/KYC, Basel III, DDPDA, SupTech
- M10 DeFi, Blockchain & Crypto**
Smart contracts, CBDC, NFTs in BFSI
- M11 ESG, Sustainability & Finance Transformation**
BRSR, Ind AS, FP&A
- M12 AI Product Mgmt + Innovation Lab**
Product Thinking, PPP model, SDLC, MVP Build

CAPSTONE - YOU WILL
Build a Digital BFSI Startup Proposal
Personality development, resume rewrite, two mock interview rounds, then live campus placement drives.

- ~85 student hours
- 2 mock & campus interviews

SEMESTER 4 Months 16-19

Digital Leadership - The MiniCEO Program
| Certified Product Manager (CPM)

- M13 The MiniCEO Program**
CEO mindset, P&L, board communication, M&A, crisis management
- M14 Accounting & Finance Transformation**
CFO 4.0, Ind AS, RPA, IFRS
- M15 RM, Cards & InsurTech**
Relationship banking, claims tech, distribution
- M16 6 Global Pathways**
UAE, UK, Singapore, Australia, Canada career mapping

CAPSTONE - YOU WILL
Solo 10-Minute Thesis to BFSI Investors & CXOs
Present your 3-year digital transformation roadmap, AI + data strategy, ESG positioning, and P&L impact — live, to an audience of investors and C-suite leaders. This is your moment.

- ~48 student hours
- Investor + CXO jury

SPECIFICATION Months 20-24 · PGDFDB + Recommendation letter for the elite performers

Internship Projects & Industry Placement

- Live industry project
- Priority mentor access
- Capstone portfolio review
- Targeted referrals
- Campus placement drives
- Mock interview-Extended

GRADUATION CEREMONY
PGDFDB Graduation & Alumni Induction
Industry jury · Peer presentations · Award ceremony · Lifetime alumni circle membership.

Additional support built into your final term - mock interviews, direct referrals, and dedicated placement sprints for students still looking for placement

Post Graduate Diploma in FinTech & Digital Business

Where PGDFDB takes you - Fintech & Digital Business

Every module, tool, and assessment maps to real roles at Banks, NBFCs, FinTechs, Insurance, Product Companies and Consulting Firms.

 <p>Digital Banking Associate FinTech Products · APIs</p>	 <p>Risk Analyst Banks · NBFCs · Fintechs</p>	 <p>Product Analyst Analytics Teams · MNCs</p>	 <p>M&A Analyst Data Teams · Business Ops · Consulting</p>
 <p>Data Analytics Regulatory · Audit Firms</p>	 <p>Product Owner AMCs · Wealth Mgmt</p>	 <p>ESG Analyst FinTech Startups · BFSITech</p>	 <p>AML Analyst Banks · NBFCs · Fintechs</p>

FinTech & AI Lab

India's first dedicated workspace - physical and digital - can be designed for every partner college. The engine that transforms learning into practical applications, and building into careers.

<p>#1 First Lab of its kind in India</p>	<p>5 Certification Tracks</p>	<p>10 Dedicated Lab Zones</p>	<p>36 Live Industry Modules</p>	<p>500+ Years Collective FinTech Experience</p>
---	--	--	--	--

You don't just **learn** Banking & Financial Applications - you **build** new-gen FinTech & AI apps. Every lesson ties a lab activity to a real BFSI use case, not a stand-alone tutorial.

<p>20% Case Studies/ Assessment</p> <p>Weekly case study submissions, Saturday classroom evaluations, and module-level assignments-building analytical rigour across every topic</p>	<p>30% Capstone Projects</p> <p>One capstone per semester-individual or team deliverable, presented to an external industry jury. The backbone of your professional portfolio</p>	<p>50% Final Test</p> <p>Proctored end-of-semester examination covering all modules in that semester. MCQ+ scenario-based questions at Bloom's L3-L5</p>
